

Toxic

A Static Lullaby

Baby, can't you see? I'm calling
A girl like you should wear a warning
It's dangerous, I'm falling There's no escape, I can't wait
I need a hit, baby, give me it
You're dangerous, I'm loving it Too high, can't come down
Losing my head
Spinning 'round and 'round
Do you feel me now? With the taste of your lips I'm on a ride
You're toxic, I'm slipping under
With the taste of your poison paradise I'm addicted to you
Don't you know that you're toxic?
And I love what you do
Don't you know that you're toxic? It's getting late to give you up
I took a sip from my devil's cup
Slowly, it's taking over me Too high, can't come down
It's in the air and it's all around
Can you feel me now? With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of your poison paradise I'm addicted to you
Don't you know that you're toxic?
And I love what you do
Don't you know that you're toxic? With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of your poison paradise I'm addicted to you
Don't you know that you're toxic? With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of the poison paradise I'm addicted to you
Don't you know that you're toxic?
And I love what you do
Don't you know that you're toxic?
