Toxic

A Static Lullaby

Baby, can't you see? I'm calling A girl like you should wear a warning It's dangerous, I'm fallingThere's no escape, I can't wait I need a hit, baby, give me it You're dangerous, I'm loving itToo high, can't come down Losing my head Spinning 'round and 'round Do you feel me now? With the taste of your lips I'm on a ride You're toxic, I'm slipping under With the taste of your poison paradiseI'm addicted to you Don't you know that you're toxic? And I love what you do Don't you know that you're toxic? It's getting late to give you up I took a sip from my devil's cup Slowly, it's taking over meToo high, can't come down It's in the air and it's all around Can you feel me now? With the taste of your lips I'm on a ride You're toxic I'm slipping under With the taste of your poison paradiseI'm addicted to you Don't you know that you're toxic? And I love what you do Don't you know that you're toxic? With the taste of your lips I'm on a ride You're toxic I'm slipping under

With the taste of your poison paradiseI'm addicted to you

Don't you know that you're toxic? With the taste of your lips I'm on a ride You're toxic I'm slipping under

> With the taste of the poison paradiseI'm addicted to you Don't you know that you're toxic? And I love what you do Don't you know that you're toxic?
