

Leave Me

Imagine Dragons

Take a look inside
I've got nothing to hide - oh no...
I'll be around the boys
I've got nothing but time - oh no... oh no
You've got me holding on to nothing
But nothing's all I've gotLeave me, leave me, I'mma shut it all down
You've got a tendency to bring a man down
I give up! I give up!
You've gotta get a gun to make a woman runSo this is what it feels like
I'll give you the last word
It's alright... it's alright... it's alright
And this is the town, this is the place
If you are the one to give disgrace a name
Then so be itYou've got me holding on to nothing
But nothing's all I've gotLeave me, leave me, I'mma shut it all down
You've got a tendency to bring a man down
I give up! I give up!
You've gotta get a gun to make a woman runLeave me, leave me, I'mma shut it all down
You've got a tendency to bring a man down
I give up! I give up!
You've gotta get a gun to make a woman runI'll take my car, I'll take my house
I never liked that beated motor mouth
and the road, it looks so warm tonight
just like a stranger in the candlelightTake, take, take, take, take it all!Leave me, leave me, I'mma shut it all
down
You've got a tendency to bring a man down
I give up! I give up!
You've gotta get a gun to make a woman runLeave me, leave me, I'mma shut it all down
You've got a tendency to bring a man down
I give up! I give up!
You've gotta get a gun to make a woman runLeave me now!
Leave me now!
