Everybody's Got an Angel

Blue Angel

Don't worry, everybody's got an angel
Sooner or later somebody's gonna love you well
There's no hurry
So don't worry
Cause you'll find the broken hearted
Fallen- fallen- now don't you worry
Cause everybody's got an angel.
Don't worry, everybody's got an angel
Sooner or later everybody's bound to tell
There's no hurry
So don't worry
Cause you'll find the broken hearted
Fallen- fallen- now don't you worry
Cause everybody's got an angel.
