

# Looks Like Rain (Live October 1989 - April 1990)

## Grateful Dead

Awoke today, felt your side of the bed  
The covers were still warm where you been layin'  
You were gone, oh, gone, my heart was filled with dread  
You might not be sleeping here again But it's alright 'cause I love you and that's not going to change  
Run me around and make me hurt again and again  
But I'll still sing you love songs, written in the letters of your name  
The rain is gonna come, oh, it surely looks like rain Did you ever waken to the sound of street cats making love?  
You guess from the cries you were listening to a fight  
Well you know, oh, know, haste is the last thing they're thinking of  
You know they're only tryin' to make it through the night I only want to hold you, I don't want to tie you down  
Or fit you in the lines I might've drawn  
It's just that I, oh, I have gotten used to havin' you around  
The landscape would be empty, if you were gone
