

The Answer

Memphis May Fire

I hit the bottom of my lowest lows,
My darkest hours are the times I grow.
And every time I am broken I know
That it's only so I can be restored. I never would have found my way,
If I didn't realize I was lost in the first place.
Amazing grace, how sweet the sound,
I never could have picked myself up off the ground. Oh, now I see (I see),
It's not about the things I've done, but what you've done in me.
Now I see,
Fear is irrelevant 'cause you know my every need. I'm reaching out, you pull me out of the depths,
I see you now, I'm letting go of the rest.
And I won't fear the fall 'cause I know that you'll be there to catch me.
I'll look to you when there's trouble at sea
'Cause I can walk on water when I believe.
And now I know it's true,
You are the answer to everything! How could I fear this heartbeat that beats for you?
How could I fear this heartbeat that beats for you?
I'm letting go of every fear I hold on to. Well I don't know what the future holds,
But I know who holds it and it's beautiful.
Every time that I fall short
I'm so thankful I'm not in control. I'm reaching out (I'm reaching out).
I see you now (I see you now),
And I won't fear the fall cause I know that you'll be there. I'm reaching out, you pull me out of the depths,
I see you now, I'm letting go of the rest.
And I won't fear the fall 'cause I know that you'll be there to catch me.
I'll look to you when there's trouble at sea
'Cause I can walk on water when I believe.
And now I know it's true,
You are the answer to everything! (The answer to everything, the answer to everything
The answer to everything, the answer to everything) When my thoughts take shape like a demon,
I will rest in you (I will rest in you).
The peace I find in my quiet mind
Comes from knowing that your word is true.
You are more than enough! And now I'm certain that the best is yet to come (best is yet to come).
You are more than enough! (than enough)
The best is yet to come. I'm reaching out, you pull me out of the depths,
I see you now, I'm letting go of the rest.
And I won't fear the fall cause I know that you'll be there to catch me.
I'll look to you when there's trouble at sea

'Cause I can walk on water when I believe.
And now I know it's true,
You are the answer to everything!
