## Tricky

To the noose  
To the neck  
To the boost  
To the check  
To the micic  
To the psychic  
To the circuit  
To the games  
Pays to blame  
To the freedom Make it rain  
Make it sane  
Make it dance  
Not a chance  
See her run  
See her come  
Take me cunnin'  
She's dark-eyed  
Never saw, never saw  
She's life line  
To the heartbeat  
You can't feel the heartbeat To the flowers  
To the bunches  
To the lunches  
To the punches  
To the noose  
To the neck  
To the boost  
To the check  
To the micic  
To the psychic  
To the circuit  
To the games  
Pays to blame  
To the freedom Make it rain  
Make it sane  
Make it dance  
Not a chance  
See her run  
See her come

Take me cunnin'  
She's dark eyed  
Never saw, never saw  
She's life line  
To the heartbeat  
You can't feel the heartbeat To the flowers  
To the bunches  
To the lunches  
To the punches  
To the good  
To the clean  
And I'll be you're ugly  
To the occasion  
To the lie Kiss beneath  
Bridge of sighs  
Not some moaning  
Until they homing  
And they spoil it all To the noose  
To the neck  
To the boost  
To the check  
To the micic  
To the psychic  
To the circuit  
To the games  
Pays to blame  
To the freedom Make it rain  
Make it sane
