Futures (Error Operator Remix)

Zero 7

Made a note of it
Did you write it on your hand
Put a name on it
To help you understandWell do you see
The futures holidays are for me
Just let me know
Where we go after the fallLike the sound of it
Gonna hang it on your wall
Turn and run with it
For the sake of one and all
Where you go, nobody knowsWell do you see
The futures holidays are for me
Just let me know
Where to go
Where you go after the fall
