

Becoming the Bull

Atreyu

Come on Grab the bull by the horns
The old adage goes
Nobody tells you where to go from there
It seems like fate is pulling you
Decisions have to be made
The best half is the hardest earned Back and forth, the struggle consumes us all
Trying to keep a level head
In the most unsettling of times
Today, I'll become the bull
(Become the bull) There is so much to stake
I stumble, I lose my place
Crowded in while surrounded by sin
Destiny takes its hold
Fight it or let it go
But I choose how the day will end Back and forth, the struggle consumes us all
Trying to keep a level head
In the most unsettling of times
Today, I'll become the bull
(Become the bull)
Today, I'll become the bull This small heart can get lonely
I lose myself inside myself
No one can touch you when you're outside staring in
Remove myself from this rat race Back and forth, the struggle consumes us all
Trying to keep a level head
In the most unsettling of times
Today, I'll become the bull
(Become the bull) Today, I'll become the bull
Today, I'll become the bull
Today, I'll become the bull
Today, I'll become the bull
