

Hot Weather

Beach Baby

How do I get you?
I'm out of luck and you're still out of sight
So hip, hip you
Don't suck your thumb when you go to bed at night
I want to move you
Does your daddy know that you're a little mixed up, he might
Don't want to lose you
I've been around and around, but I won't be forever right.Look out
And I feel bad
Ready go get her
And we won't look scared
We're in for hot weather
And I feel a man
I feel a lot better
Uh huh, all right, I feel a lot betterAnd now I found you
Well I try a little something but it never seems to work out right
Do you like what I do
Because your daddy says that I'm a little mixed up, he's right.
Oh ya, I'm cool for you
When my head's spinning out and I think of you and I'm just fine
Oh ya, I'll follow you
I've been around and around, but I won't be forever right.Look out
And I feel bad
Ready go get her
And we won't look scared
We're in for hot weather
And I feel a man
I feel a lot better.Uh huh, all right, I feel a lot better
Lo- lo- lo-
Lo-lo-lonely times
Come let's go
Let's go for a little ride
Won't you show
Show me what your life is like
Come let's go
Let's go for a rideAnd I feel bad
Ready go get her
And we won't look scared
We're in for hot weather

And I feel a man
I feel a lot better Uh-huh, all right, I feel a lot better.
