

It's True

So(ul)

In your heart you know it's true
Though you hold no expectation
 In the deepest part of you
 There's an open hesitation
But it's true, kingdoms and crowns
A God who came down to find you
 It's true angels on high
 Sing through the night, Alleluia
 Heard it told you, think it's odd
The whole thing fraught with complication
 The play begins with Baby God
 And all His blessed implications
But it's true, kingdoms and crowns
A God who came down to find you

 It's true angels on high
Sing through the night, Alleluia, Alleluia, Alleluia
 But it's true, kingdoms and crowns
 A God who came down to find you
 It's true angels on high
 Sing through the night, Alleluia
 But it's true, kingdoms and crowns
 A God who came down to find you
 It's true, oh, angels on high
 Sing through the night, Alleluia
 In your heart you know it's true
 In the deepest part of you
 It's true, it's true
