Trouble On the Turnpike

[Roger Miller](#)

Well it wasn't long ago that my true blue Sally
Said she's gettin' tired of livin' in the valley
Wants to go back to Louisian'
See Big Papa he's a gumbo manTrouble on the turnpike, trouble on the road
Trouble on the turnpike too big a load
Yeah ha-hoopa-do-ee
Goodbye valley for my Sally and meWell to keep Sally happy I'll do all I can
To keep her that way takes a whole lot of man
A Louisiana woman is tired of California ain't
Enough gumbo here for meTrouble on the turnpike, trouble on the road
Trouble on the turnpike too big a load
Yeah ha-hoopa-do-ee
Goodbye valley for my Sally and me
