

The Sickness (feat. Nas)

J Dilla

[Hook]

Uh, uh, uh, uh, uh, uh, uh, uh

Oh, oh, oh, oh, oh, oh, oh, oh [Verse 1: J Dilla]

I got the MJ disease cause MCs wanna be me

If I spit anything it's gonna be heat

Cause Dilla Dawg a one of a kind nigga

Killin' em off with the rhymes, motherfuckin' son of a 9 nigga

If I pull a chain out in the sun it'll blind niggas

First thing that come to your mind when you think of hardcore

Takin' cuts to the front of the line

I break blunts, fill 'em up, and then fire, and take puffs

The city of G's, the gaters, and gutter

The switches and D's, the haters and rudder

My niggas runnin' the streets, they ready to eat

And roll heavy, deep in Chevys and Jeeps

And most carry so be ready to bleed if you talk shit

My (?) nigga (?) we walkin'

Most of my niggas been locked down for something, prolly bitch smackin' niggas not down for nothin'

Got a fetish for dough, cheese, bucks

Out for the lettuce so blow these nuts [Hook]

Uh, uh, uh, uh, uh, uh, uh, uh

Oh, oh, oh, oh, oh, oh, oh, oh [Verse 2: Nas]

Everybody's not goin', gettin'

They mad because they can't accept me

They try to hex me, especially those who never rose

They want better clothes and nicer lives

I don't have an ego, I go harder than average people

Plus I got twice the drive

Suited and booted, niggas might have heard I was lost

You might wanna consider your source

I try to play it cool, show people that I can chill

So wealthy people take me serious and know I'm real

Hopin' I'm clubbin' in Shanghai

I ain't step inside this

Silicon Valley every two months

On private jet, I'm venture capital nigga

Read it how I invest

I'm in the trade so much

The Wall Street Journal but I don't flex or front too much

It's too early to serve you, I'd rather curve you
This ain't just rap, this facts
I'm in places, I shop places they don't see black
So if you're ever in my league tell 'em Nas and Dilla
Frontin', I've never been in my D's, not even creased yet
But I bet out in Greece I get that respect
