

Careless Santa

Mono Puff

Careless Santa spoiled my Christmas time.
Thoughtless Santa. How can I forgive him?
 Been so good all year long.
 Bag of money was all I asked him for.
Down my chimney it came, my one Christmas wish
 Landed on my arm and broke it.

Careless Santa spoiled my bank robbing scheme.
Thoughtless Santa. How can I forgive him?
I laid low like we planned. Bag of money was all he stole from me.
Down my driveway I came. The place was crawling with cops.
Spotted the cast on my arm and they busted me.
