The English Beat

It's a
One shot magazine; give it a spin
Open your mouth, slide the barrel in
If you don't like it, just don't do it again

Itchy finger, finger, trigger, trigger
Click, click
Click, click, click

One in thirty five is saying sorry through a bottle
Say it's your job to scrape a living up, that's all it does
Well, think it back over it - hurts twice as much as living
Itchy finger, finger, trigger, trigger
Faster, faster, faster, faster

One shot - this is it
Did you delay?
You call it a nightmare; now, I call it a day
You hold yourself steady at the edge of the bed
As you say finger, finger, trigger, trigger
Click, click, click, click, click
Click, click, click

Faster, faster, faster
Faster, faster, faster
Faster, faster, faster
Stop
