Open the Door

[Otis Redding](#)

I've been so wrong, so many times, and you know what I'm talkin' about
We've all been wrong a time in our life
And we all make mistakes sometimes of leaving what's good for us
I made that mistake, and now I'm tryin' to get back to my babyThis runnin' round, sure 'nough, is killin' me
Let me, let me in
Let me in, let me in
Let me in, let me in
Let me in, let me in, let me in, let me in, let me ease on inLook into my eyes
Can't you see I got to come on in
I ain't lyin', and I ain't smilin' 'bout it, baby
Open the door or I'm bustin' in
Because this runnin' around
Sure 'nough, sure 'nough, is killin' meYes it is, it's killin' me, baby
I got ta come on in
Let me in, baby, please let me inI gotta come on in, honey
Open the door
Open the door
Let me in, let me in, let me in, let me ease on inMama, mama, got to come in
Open the door
I can't stand this cold
Let me in this house
I'm tired of this runnin' aroundTired of being, tired of being all alone
Standing out here and walkin' with, walkin' with
Oh walkin' with someone
I'm tired of just being, being out here
Tired of being all alone
