

Wet Dream

The Inspirations

Ev'ry night me go to sleep, me have wet dream
Ev'ry night me go to sleep, me have wet dream
Lie dung, gyal, mek me push it up, push it up, lie dung

You in your small corner, I stand in mine
Throw all the punch you want to, I can take them all
Lie dung, gyal, mek me push it up, push it up, lie dung

Look, how you big and fat, like a big, big shot
Give the crumpet to big foot Joe, give the fanny to me
Lie dung, gyal, mek me push it up, push it up, lie dung

Lie dung, gyal, mek me push it up, push it up, lie dung
So me seh
Lie dung, gyal, mek me push it up, push it up, lie dung
In deh!
