Dead Sea Scrolls

Yeasayer

The holy market gets you high.
The holy market takes you low.
Easy come, easy go.
A wicked mind (???)Its just another fake out.
Its just another sleight of hand to keep control.
Just another fake out.
A mock up of the dead, mock up of the Dead Sea Scrolls.The moloch demon sacrafic.
To grease the wheels and make it nice.
The bottom line is all he knows.
The wine wielder (??) his heart is stone.Its just another fake out.
Its just another sleight of hand to keep control.
just another fake out.
A mock up of the dead, mock up of the Dead Sea Scrolls.
Ahhh ahhhh ahhhhh
