

Red Velvet (feat. New Beat Fund)

R5

Shit
I keep telling 'em too
I keep telling 'em
(shit)She likes to make me think that I'm a freak just for her velvet
All wrapped in between her ivory and I can't help it
Listening to Novacane, Ocean on repeat again
Oh baby, you were worth the wait
Baby, you were worth the waitWhen you're wearing velvet, girl
Takes me to another world
Nobody makes me feel this way
Nobody makes me feel this way
Nobody makes me feel this way
Feel this way
She's making deals, I'm in her ear and getting overzealous
We're swimming in her velvet, Dear makes all her neighbors jealous
Listening to Purple Rain, crying over jobs again
Oh, baby you were worth the wait
Baby, you were worth the waitWhen you're wearing velvet, girl
Takes me to another world
Nobody makes me feel this way
Nobody makes me feel this way
Nobody makes me feel this way
Feel this wayShe a boss lady, female dictatorship
She make other models look like potato chips
Ask me if I dig her style, eyes, legs, and lips
I'd have to say, "Yes, yes, I do" and "Hell yes"
Brain amazing, she even dig Hendrix
Hit me in my deep blue, heart beats reckless
In the bedroom, wanna touch her every freckle
I hit her from the base and I let her scream treble
Nobody makes me feel this way
Feel this way
Nobody makes me feel this way
Nobody makes me feel this way
Nobody makes me feel this way
Feel this wayYeah baby
Listening to Novacane, Ocean on repeat again
You know you make me feel like a whole new man
Listening to Purple Rain, Prince is on repeat again
