

Becca

Nick Roes

Ooh Ooh Ooh Ooooooh,

Becca

Ooh Ooh Ooh Ooooooh,

Becca

She smile at you youâ€™ll never be the same,

Her loving make a pit pull break his chain.

Becca

Ooh Ooh Ooh Ooooooh,

Becca

Your heart will disappear without a trace,

Her kiss will burn your lips right off your face.

Becca

Ooh Ooh Ooh Ooooooh,

Becca

She got the kind of loving that you canâ€™t resist,

Her booty make JayLo slit her wrist.

Becca

Ooh Ooh Ooh Ooooooh,

Becca

Ooh Ooh Ooh Ooooooh,

Becca

Ooh Ooh Ooh Ooooooh,

Becca

She smile at you youâ€™ll never be the same,

Her loving make a pit pull break his chain.

She got the kind of loving that you canâ€™t resist,

Her booty make JayLo slit her wrist.

Your heart will disappear without a trace,

Her kiss will burn your lips right off your face.

Ooh Ooh Ooh Ooooooh,

Becca, Becca, Becca

Ooh Ooh Ooh Ooooooh,

Becca, Becca, Becca

Ooh Ooh Ooh Ooooooh,
Becca, Becca, Becca
