

Severed

Kittie

Look at you now
Truth begged to be told
I walk around in circles
To revisit where I've always been
You spoke of where your heart was
I thought I know you well
Ties that bind you have been severed
Look at you now
Eyes wide open
Truth begged to be told
Look at you now
Eyes wide open
For you bought and sold
Look at you now
Eyes wide open
Truth begged to be told
Look at you now
Eyes wide open
For you bought and sold
I want to make you feel this
Trusting arms lets me fall once again
I stood close to an enemy and closer to a friend
Ties that bind you have been severed
Look at you now
