Go For Soda

Kim Mitchell

So we're in one of our blue moods
You wanna have it your way and I want it mine
All this debating going 'round in our blue mood
Makes me thirst for loveMight as well go for a soda
Nobody hurts and nobody cries
Might as well go for a soda
Nobody drowns and nobody diesLife seems to be a bomb inside your head
Well, the bomb in my head is love
All this debating going 'round in our blue mood
Makes me thirsty for loveMight as well go for a soda
Nobody hurts and nobody cries
Might as well go for a soda
Nobody drowns and nobody diesMight as well go for a soda
It's better than slander, it's better than lies
Might as well go for a soda
Nobody hurts and nobody cries
