

# Blue Eyes

## The Reivers

Your heart is broken to your surprise  
You're sick of crying for blue eyes  
So tired of living, misunderstood  
Think hard woman, I think you should  
    Come sorrow is so peculiar  
Comes in a day then it'll never leave you  
    You take a pill wonder if it will fix you  
Then wonder why sorrow has never left you  
    I'm talkin' 'bout blue eyes, blue eyes  
        What's the matter, matter?  
        Blue eyes, blue eyes  
        What's the matter, matter?  
        So blind, so blind  
        What's the matter, matter?  
        Blue eyes, blue eyes  
        What's the matter with you?  
Your heart got broken on the underground  
    Go find your spirit in a lost and found  
    Oh, I've been watching how you behave  
    Not much like a lover more like a slave  
    Come sorrow is so peculiar  
It comes in a day then it'll never leave you

    You take a pill wonder if it will fix you  
Then wonder why sorrow has never left you  
    I'm talkin' 'bout blue eyes, blue eyes  
        What's the matter, matter?  
        Blue eyes, blue eyes  
        What's the matter, matter?  
        So blind, so blind  
        What's the matter, matter?  
        Blue eyes, blue eyes  
        What's the matter with  
        Blue eyes, blue eyes  
    What's the matter, matter?  
        Blue eyes, blue eyes  
    What's the matter, matter?  
        So blind, so blind  
    What's the matter, matter?

Blue eyes, blue eyes  
What's the matter with you?  
What's the matter with you?  
What's the matter with you?
