

The Rock Rolls On

W.A.S.P.

There's never a day, that's passing my way
That I never need it
My hands on the wheel, my foot's on the steel
'Cause I gotta feel it The rock rolls forever on, ooh, forever on
Like thunder coming down, yeah, coming down
I said, the rock rolls forever on, ooh, forever
Like thunder coming down, ooh, yeah It flows through my veins like thunder and rain
And I can't live without it
I scream for the crowds and turn it up loud
'Cause I gotta shout it The rock rolls forever on, ooh, forever on
Like thunder coming down, yeah it's coming down
I said, the rock rolls forever on, ooh, forever on
Like thunder coming down, ooh, yeah Six string and lightning strikes
Come make me blind, ooh, burn it up
Bring down the pedal to the metal
Just one more time, ooh, turn it up The rock rolls forever on
Like thunder coming down, ooh it's coming down
I said, the rock rolls forever on, ooh, forever on
Like thunder coming down, I say, coming down The rock rolls forever on, ooh, forever on
Like thunder coming down, down, down, coming down
I said, the rock rolls forever on, ooh, forever
Like thunder coming down Forever, never stop
Forever, never stop
Forever, never stop
Forever, never stop
