

# Burning Bright(Sanford Mix)

## Shinedown

I feel like there is no need for conversation  
Some questions are better left without a reason  
And I would rather reveal myself than my situation  
Now and then I consider my hesitationThe more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning, burning brightI wonder if the things I did were just to be different  
To spare myself of the constant shame of my existence  
And I would surely redeem myself in my desperation  
Here and now I'll express my situationThe more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning bright  
The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burningThere's nothing ever wrong, but nothing's ever right  
Such a cruel contradiction  
I know I crossed the line, it's not easy to define  
I'm born to indecision  
There's always something new, some path I'm supposed to choose  
With no particular rhyme or reasonThe more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burning bright  
The more the light shines through me  
I pretend to close my eyes  
The more the dark consumes me  
I pretend I'm burningI feel like there is no need for conversation
