

# I'll Be the One

[Phil Vassar](#)

You'll never know  
How much you touch my soul  
You're so beautiful  
And I'm so gone Please understand  
I'm only just a man  
But I'll give you all I am  
From here and now on I'll be the one, the one you hold  
I'll wrap my love around you until time grows old  
That ray of faith that glimpse of sun  
Baby, only everything I'll be the one Trust this much  
I'll always believe in us  
And I'll never give it up  
For anything ever I'll be the one, the one you hold  
I'll wrap my love around you until time grows old  
That ray of faith that glimpse of sun  
Baby, only everything I'll be the one Lay down beside me  
Right down here beside me  
There's so much inside girl  
And I want to share it with you  
My love, whatever I do I'll be the one, the one you hold  
I'll wrap my love around you until time grows old  
That ray of faith that glimpse of sun  
Baby, only everything I'll be the one  
I'll be the one  
I'll be the one
