How We Do?

Trina

Icy blue rocks on my arm, I shop at Milan for Louis Vuitton
The diamond diva Ms. Cinderella, Versace gown by Donnatella
And can't none of these hoes out floss me, gator boots by Sergio Rossi
Ms. Trina I got to splurge, 58 frame baby watch the curves
Walk in the club don't waste no time, hit the bar up two cases of wine
Cute face thin waste line, drop to the beat pop to the base line
To all my girls that's kickin' it, you got Chris in yo glass and you sippin' it
You 'bout money and you gettin' it we tight that's right' uh
(Hey)
This how we do
(Hoo)
Y'all can't deny
(Hey)
This how we do
(Whoa)
I'm the baddest far from the average
(Hey)
Diamond princess
(Whoa)
Ghetto F A B
(Hey)
This how we do
(Whoa)
I like my ladies off the glass like shotin' off the back board
Sexiest mommies beautiful as black broads
Cutest rude girl, thick as Caucasian
Pretty as conversions, slick as Malaysians
Ask them let them bitches say yes sir
Young and live among riches in West Jerve
Switch in the excurve strut through this bitch in the best furs
Bitch in a Lex Jerse
Twin gray crosses bling I'm the might cone
Brightly chrome Vendaidoes
Cover your girl face from the Bruce Lee Roy glow
On a mother a pearl face all I do is say one word
Y'all say it's foolish I send splurge I'm a lose one third
I never go broke my name got to O's
F A B O L O U S
(Hey)

This how we do
(Hoo)
Y'all can't deny
(Hey)
This how we do
(Whoa)
I'm the baddest far from the average
(Hey)

(Whoa)
Ghetto F A B
(Hey)

(Whoa)
Nice lips, nice thighs, nice hips, pussy tighter then a pair of vice grips
I don't pay niggas, niggas pay me, I'm a hustler baby like Jay-Z
It's the diamond princess million dollar mistress
From the M I home of the stop bitches
Christal, and caviar bitches, twist this game for all you fly bitches
I spit nuttin' but the hot shit, you got the four dot get the four dot six
Maybe than you can ride with a hot bitch
VS from the anklet to the wrist I been in the game just two years
End a few careers there it is but now I'm back on top again
With some red hot shit for you can cop again, yeah
(Hey)
This how we do
(Hoo)
Y'all can't deny
(Hey)
This how we do
(Whoa)
I'm the baddest far from the average
(Hey)

(Hey)
This how we do
(Whoa)
(Hey)
This how we do
(Hoo)
