

# It's Up to You Now

## The Black Keys

(Verse)

You wanted to love, but you didn't know how  
That's o.k., it's up to you now  
It got so bad to where I wouldn't allow  
But no more, it's up to you now

(Chorus)

Let you go so you could go  
Go to town  
It's up to you now  
It's up to you now

(Verse)

You smoke cigarettes and you act like a clown  
If you want, it's up to you now  
You do what you like, not what they allowed  
They're gone, it's up to you now

(Chorus)

Let you go so you could go  
Let you go so you could go  
It's up to you now
