

# Slow Ride

Kenny Wayne Shepherd

Well, it's warm inside  
Let's take a midnight ride  
I wanna show ya  
Ya really show ya  
It's an open road  
Let's see how far it goes  
I wanna show ya  
Ya really show ya Well, high flyin' low  
Don't you wanna go  
On that slow ride Well, it's cold outside  
But there's fire in your eyes  
I wanna hold ya  
Baby let me hold ya  
I won't lose my nerve  
On those dangerous curves  
When we get rollin'  
Oh really rollin' I said, high flyin' low  
Don't you wanna go  
On that slow ride  
Slow ride Yeah, slide on in don't stop to sleep again  
Let's get moving  
Oh really movin'  
Won't you hold on tight we can make it all night  
Let's get movin'  
Oh really movin' I said, high flyin' low  
Don't you wanna go  
On that slow ride  
Slow ride  
Slow ride, oh yeah!
