

F*!#In' Up

Neil Young

Mindless drifter on the road
Carry such an easy load
It's how you look, and how you feel
You must have a heart of steel. Why do I keep fuckin' up? I can see you on a hill
Comatose but walking still
Curves beneath your flowing gown
Only I could bring you down. Why do I keep fuckin' up? Dogs that lick and dogs that bite
Hounds that howl through the night
Broken leashes are all over the floor
Keys left hanging in a swinging door. Why do I keep fuckin' up? Keep fuckin' up!
