Dream On

Rustie

I don't ask I just go for it
And I don't care who sees
I don't like to brag about it
But I am amazingAnd you can't wait to see me walking towards your fate
And you won't move an inch to the dayWhen you see me
Tell me you'll see me while you're sleeping, sleeping
This is magic, love
Don't you let this go'Till you see me
Tell me you'll see me while you're dreaming, dreaming
So dream on
My dreamer
So dream on
My dreamer
So dream on
My dreamer
So dream on
My dreamerYou don't make me into something
I could never be
And you don't ask for anything
But to stay with me
And I could never think of anyone else to tryYou will see me
Tell me you'll see me while you're sleeping, sleeping
This is magic, love
Don't you let this go
'Till you see me
Tell me you'll see me while you're dreaming, dreamingSo dream on
My dreamer
So dream on
My dreamer
So dream on
My dreamer
So dream on
My dreamerYou will see me
I come to visit while you're dreaming, dreaming
