

# At Last

Glenn Miller

At last my love has come along  
My lonely days are over  
And life is like a song At last the skies above are blue  
My heart was wrapped up in clover  
The night I looked at you I found a dream that I can speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill I have never known You smiled and then the spell was cast  
And here we are in heaven  
For you are mine at last
