I'm Only Looking

Inxs

I hear voices inside my head
Can I deceive?
Can I believe?
My whispering friends
What do I hear about war and peace?
What do I hear about love and sex?
I'm delirious for an answer
I'm delirious for an answer
Taking me deeper and deeper in mind
Taking me deeper and deeper in mind
I'm only looking
Taking me deeper and deeper in mind
Fascination for limits of love
Should I aim higher and higher and higher?
Will I break you like some possession?
To learn my lesson
Taking me deeper and deeper in mind
Taking me deeper and deeper in mind
I'm only looking
Taking me deeper
Fascination for limits of love
Should I aim higher and higher and higher?
Taking me deeper and deeper in mind
Taking me deeper and deeper in mind
I'm only looking
Taking me deeper and deeper in mind
Taking me deeper and deeper in mind
I'm only looking
Deeper and deeper
