Do It All Again

Emblem3

Soon as I walked into the party this girl came up to me and started to
Dance. Had a tattoo on her neck and a ring in her tongue and some tight
Leather pants. After the song she pulled me in the bathroom and locked it
And turned off the lights, then when I turned them back on she was gone,
But it wasn't the end of the night.And at twelve forty five, that's when my homies arrived, at a quarter to
Two everyone jumped in the pool, now the suns gonna rise, we must've lost
Track of time, there won't be another tonight but as soon as it endsWe'll do it all again, we'll do it all again, no were not going home tilll
The speakers are blown, feeling like woooaaahh, we'll do it all again,
We'll do it all again, we'll be up in the clubs, till the cops shut us
Down, feeling like wooaahh, we'll do it all againSoon as I woke up I promised myself that I'd be staying in for the night,
Said that'd I'd go back to sleep but then I got a text from a girl that I
Like, she told me to go get a couple of friends, and that she had a couple
Of friends, and we in the car on the way to the party about to do it againAnd at twelve forty five, that's when my homies arrived, at a quarter to
Two everyone jumped in the pool, now the suns gonna rise, we must've lost
Track of time, there won't be another tonight but as soon as it endsWe'll do it all again, we'll do it all again, no were not going home tilll
The speakers are blown, feeling like woooaaahh, we'll do it all again,
We'll do it all again, we'll be up in the clubs, till the cops shut us
Down, feeling like wooaahh, we'll do it all again(We'll do it all again, we'll do it all again, we'll do it all again, we'll
Do it all again)We'll do it all again, we'll do it all again, no were not going home tilll
The speakers are blown, feeling like woooaaahh, we'll do it all again,
We'll do it all again, we'll be up in the clubs, till the cops shut us
Down, feeling like wooaahh, we'll do it all again(We'll do it all again, we'll do it all again---)We'll do it all agaiin...
