Kicked In The Taco

Frank Black

Today at the New Morocco
I got kicked in the taco
All I saw were starsSay, it's a bit nightmarish
From here to Albondigas, Parish
Underneath the starsHey you, I got kicked in the taco
There's a brewing sirocco
On the planet of MarsAnd from me, you got my message of love
You got my message
You got my message of loveFrom me, you got my message of love
You got my message
You got my message of loveFrom me, you got my message of love
You got my message
You got my message of love
