Mysterious Times

Party Starterz

Life, mysterious life
Where we're moving around, dancing the rhythm of life
And time, mysterious time
Where we're counting the hours and days to the end of our time
And we're feeling the change and we don't know why
Choose one direction just one more time
Don't say I'm thinking too much if you see what's behind
And these are mysterious times
Mysterious times, no trick of the mind
For this moment I feel like we live in mysterious times
If you see what's behind, these are mysterious times
Soul, I feel my soul
For this moment nobody can stop me from flying so high
Real, nothing is real
In a world of illusion you only see what you feel
And we're feeling the change and we don't know why
Choose one direction just one more time
Don't say I'm thinking too much if you see what's behind
And these are mysterious times
Mysterious times, no trick of the mind
For this moment I feel like we live in mysterious times
If you see what's behind, these are mysterious times
If you see what's behind, these are mysterious times
