

# Yesterday Threw Everything at Me

## Athlete

Switch on the light, between each other  
Elevated to your side, Now I'm nervous  
It's time to tell you honestly, so we can alter history You are, first on my list,  
When everything around is gone I know  
You are, first on my list,  
When everything is shown up for what it is Plastic flowers that fight for color  
Shadows floating on the ground, that always follow  
Like international acclaim, it comes and goes never the same You are, first on my list,  
When everything around is gone I know  
You are, first on my list,  
When everything is shown up for what it is And I will run with it  
And sunlight will break into my eyes  
And it seems like you plugged the world in  
'cause sunlight is streaming from your eyes You are, first on my list,  
When everything around is gone I know  
You are, first on my list,  
When everything is shown up for what it is Let's take our time, it won't change over night  
We got a chance we didn't have before  
Let's take our time, it won't change over night  
We got a chance we didn't have before You are, first on my list,  
When everything around is gone I know  
You are, first on my list,  
When everything is shown up for what it is
