

I Want To Sing That Rock And Roll

[Gillian Welch](#)

I want to sing that rock and roll
I want to 'lectrify my soul
'Cause everybody been making a shout
So big and loud, been drownin' me out
I want to sing that rock and roll I want to reach that Glory Land
I want to shake my Savior's hand And I want to sing that rock and roll
I want to 'lectrify my soul
'Cause everybody been making a shout
So big and loud, been drownin' me out
I want to sing that rock and roll I been a-traveling near and far
But I want to lay down my old guitar And I want to sing that rock and roll
I want to 'lectrify my soul
'Cause everybody been making a shout
So big and loud, been drownin' me out
I want to sing that rock and roll I been a-traveling near and far
But I want to lay down my old guitar And I want to sing that rock and roll
I want to 'lectrify my soul
'Cause everybody been making a shout
So big and loud, been drownin' me out
I want to sing that rock and roll
I want to sing that rock and roll
