

# On Your Knees

## Firehose

A political contribution  
Like the weeds in a garden  
Eyesore for the future  
Can you take my pardon? Savage or a saint?  
Automation has trances  
In my working state  
Think I got a chance I've been on my knees  
Better get on your knees  
Your knees, your knees, your knees  
Get down on your knees  
You better get down on your knees
