

Thank You

[Jamie Lynn Hart](#)

We were whiskey soaked and carefree,
The way that you would look at me, I couldn't deny
It was a torrid kind of love affair everyday and everywhere, we were on fire
But like a thief in the night and a slap in the face
You stole all my pride when you left without a trace So don't try and write, and don't try and call
Don't even miss me on a lonely night
'Cause you gave me everything I needed to feel something again
And I am grateful for that, so
Thank you for being an asshole.
You came in like a strong wind
You struck me with your lighting and left me wet
And now everything you said is still playing in my head and I can't make sense of it
Now just when I think it might have been me, I shake it off like a bad memory Oh, so don't try and write, don't
try and call
Don't even miss me on a lonely night
'Cause you gave me everything I needed to feel something again
And I am grateful for that, so
Thank you for being an asshole You were invited to a world of opportunity,
Can't say I like it that you took the upper hand from me.
But I'm glad you did
'Cause now I know I'm ready for it Oh, so don't try and write, don't try and call
Don't even miss me on a lonely night
'Cause you gave me everything I needed to feel something again
And I am grateful for that, so
So don't try and write, don't try and call
Don't even miss me on a lonely night
'Cause you gave me everything I needed to feel something again
And I am grateful for that, so
Thank you for being an asshole.
