Lyall

San Cisco

Under the night lights, you're looking for some place to go.
(For some place to go)Well you didn't mean to hurt them, but now he's bleeding on the floor.
(bleeding on the floor)Na na na na na na na na (x4)You were feeling good so, you thought you'd have one more.
(Thought you'd have one more)Now look at you you're paralytic on the floor!
(laying on the floor)Na na na na na na na na (x4)And it's the story that you hear,
Oh sometimes it will let you see,
Oh don't you know that's what you need?
Oh don't you know that's all you need!
