

# Only For You (feat. Rachel K. Collier)

Mat Zo

Watch me watch you,  
I have a colour for you.  
Beautiful morning, your open eyes are calling.  
Come on and reach me, come on and fly.  
We'll make a star, just for the night.  
Everything old and everything new,  
I want to know. I want to know if it's only for you. (x3)  
I want to know, I want to know wanna know-oh-oh. I been waiting a moment, in this hour for us.  
Imagine the second in this minute when we touch.  
Will you hold me all night, Bring your hands out with your arms.  
I needed you always, can you feel me, weak inside. I want to know want to know oh oh oh oh oh I want to know  
if it's only for you (x2) When I move I move, when I dance it's only for you, only for you. When I move I move,  
when I move I move I move, when I move I move, when I dance. Watch me watch you,  
I have a colour for you,  
Beautiful morning,  
Your open eyes, are calling. I want to know if it's only for you,  
I want to know if it's only for you.
