## **Prince Charming**

## Willa Ford

Prince Charming can you rescue me?

Are you real?

Can you make me feel, feel unreal? Prince Charming

Oh yeah oh ah oh

Prince CharmingRides a great white horse, not a Greyhound bus

He's a gentleman, not a hip-hop thug

See him in my dreams, hate when I wake up

Still holding on, people think I'm nuts butBut soon he'll come and call for me

And take me from realityPrince Charming can you rescue me

Are you real?

Can you make me feel, feel unreal?

Prince Charming, I believe in you

Fairy tails can come true

So I will wait for youPrince Charming

Oh yeah oh ah ohTell me how I'll know

Does he wear a crown?

Haven't found him yet

Must be out of townHeart made of gold

Body like a rock

Likes to serenade

Maybe even smartAnd I will wait with just one kiss

The poison soon right from my lipsPrince Charming can you rescue me?

Are you real?

Can you make me feel, feel unreal?

Prince Charming, I believe in you

Fairy tails can come true

So I will wait for Prince Charming can you rescue me?

Are you real?

Can you make me feel, feel unreal?

Prince Charming, I believe in you

Fairy tails can come true

So I will wait for you will wait for you

Oh yeah oh ah oh

You

Oh yeah oh ah oh

You

Prince Charming

Oh yeah oh ah ohOoh ohh

Oh yeah oh ah oh
