

# Touch My Fire

Javine Hylton

Do you really wanna feel my flow  
oh oh oh  
You know its the only way to go  
so get with the show Are you the kinda guy whos got that flare  
yeahGet your groove on  
Get a move on  
Whoa whoa yeahTouch my fire can you feel the heat,  
My crazy rhythm's gonna knock you off your feet,  
Come on and touch my fire why don't you break away,  
Burn all your troubles say goodbye to yesterdayAre you easy come and easy go whoaa  
Come on let the music grab ya  
from your head to your toes  
No need to rush  
take it nice and slow feel that beatGet your groove on  
Get a move on whoa yeahCome with me i'll take you there  
Touch my fireTouch my fire can you feel the heat  
My crazy rhythm's gonna knock you off your feet,  
Come on and touch my fire why don't you breakaway  
Burn all your troubles say goodbye to yesterday  
Touch my fire can you feel the heat  
My crazy rhythm's gonna knock you off your feet,  
Come on and touch my fire why don't you breakaway  
Burn all your troubles say goodbye to yesterdayTouch My Fire  
Touch My Fire  
C'mon and Touch  
C'mon and Touch my Fire  
Touch my FireTouch my fire can you feel the heat  
My crazy rhythm's gonna knock you off your feet,  
Come on and touch my fire why don't you breakaway  
Burn all your troubles say goodbye to yesterday  
Touch my fire can you feel the heat  
My crazy rhythm's gonna knock you off your feet,  
Come on and touch my fire why don't you breakaway  
Burn all your troubles say goodbye to yesterday
