Fox On the Run (Interface Mix)

The Sweet

I don't want to know your name
'Cause you don't look the same
The way you did before
OK you think you got a pretty face
But the rest of you is out of place
You looked all right beforeFox on the run
You screamed and everybody comes a-running
Take a run and hide yourself away
Fox on the run
F-foxy, foxy on the run and hideawayYou-you talk about just every band
But the names you drop are second hand
I've heard it all before
I don't want to know your name
'Cause you don't look the same
The way you did before[Chorus]
