

Rusty Hammer

Xavier Rudd & The United Nations

Can you feel us growing
Momma screaming for truth and justiceDon't look at me
Don't look at me look within
I'm weeding and endless garden of positivity and happinessIf I'm bringing my soul to ya
Bet ya money there's a reason I believe
Building with a rusty hammer
Standing strong in the things that I've seen
If I'm bringing my soul to ya
Coming at you with truth in my eyes
Building with a rusty hammer
Strong feeling everything gonna be just fine
Sang hyang widhi sending prayer from uluwatu
To be cleansed in the waters of sabutu
Nyepi demons are burning in ubud
Nyepi demons are burning in ubud
Sang hyang widhi sending prayer from uluwatu
Let it go in the waters of sabutu
Nyepi demons are burning in ubud
Nyepi demons are burning in ubudIf I'm bringing my soul to ya
Bet ya money there's a reason I believe
Building with a rusty hammer
Standing strong in the things that I've seen
If I'm bringing my soul to ya
Coming at you with truth in my eyes
Building with a rusty hammer
Strong feeling everything gonna be just fine
Come along come along come along
Bring ya brother bring ya sister bring your uncle bring your mum
Come along come along come along
Put your hands together and pray to the sun
Come along come along come along
Bring ya aunt bring ya father bring ya dauther bring ya son
Come along come along come along
Bring your family together bring love bring loveCan you feel us growingIf I'm bringing my soul to ya
Bet ya money there's a reason I believe
Building with a rusty hammer
Standing strong in the things that I've seen
If I'm bringing my soul to ya
Coming at you with truth in my eyes

Building with a rusty hammer
Strong feeling everything gonna be just fine
Strong feeling everything gonna be just fine
Strong feeling everything gonna be just fine
Momma screaming for truth and justice
