

A Happy Place

Katie Melua

Iâ€™m going to find a happy
Iâ€™m going to find a happy
Iâ€™m going to find a happy place

Seven thousand eyes are watching
Marching home and no oneâ€™s touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger

Stuck here itâ€™s cold Iâ€™m standing
Hoping for some understanding
Only way to go is inside

Iâ€™m going to find a happy
Iâ€™m going to find a happy
Iâ€™m going to find a happy place

Seven thousand light years travel
Let my sense of time unravel
Trapped feelings are never ending
Send those weaknesses descending
Towards the earthâ€™s red center
Let the fire rise and enter
Tap into the primal power
Rising like a giant tower

The energy receiving
Cut a hole right through the ceiling
People getting smaller as you fly

Iâ€™m going to find a happy
Iâ€™m going to find a happy
Iâ€™m going to find a happy place

(Iâ€™m gonna find a happy place) A happy Place
(Iâ€™m gonna find a happy place) A happy place

(Iâ€™m gonna find a happy place) A happy place

Find a star, send down a beam to where you are
An elevator of light taking you somewhere
Where youâ€™ll always be loved

I have found that stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing

Weâ€™re going to find a happy
Weâ€™re going to find a happy
Weâ€™re going to find a happy place

(Iâ€™m gonna find a happy place) A happy place
(Iâ€™m gonna find a happy place) A happy place
(Iâ€™m gonna find a happy place) A happy place
