Ain't No Secret

The Alternate Routes

I'd stick around if you tell me I'm yours
But don't leave your keys for me, open the door
Nobody's getting hurt here if nobody cares
Nobody's getting lost if nobody's going anywhereAnd darling I know that you cant be sure of anything anymoreI wanna love you like it ain't no secret
Like I'm not ashamed to show
Nor would I ever, oh never never
Oh never let you go
I'll never let you goI'm on a tight rope maybe I'm scared
Maybe I love you but you never play fair
So shed a little light where nobody sees
I built a bible for the saints with my disbeliefAnd darling I know that you can't be sure of anything anymoreI wanna love you like it ain't no secret
Like I'm not ashamed to show
Nor would I ever, oh never never
Oh never let you goMy love is easy
Tell me bout yours and then
Tell me you need me
Carry me home again
It's been a mystery
Most of the time
Stranded on the big top
Throw me a lineI wanna love you like it ain't no secret
Like I'm not ashamed to show
Nor would I ever, oh never never
Oh never let you go
I'll never let you go
