

Sweet Baby

Ashanti

[Chorus]

My sweet baby

Come on touch me, tease me

My sweet baby

Hold me, love me, need me

My sweet baby

Come on touch me, tease me

My sweet baby

Gonna be just fine with My sweet baby

See, every time that I think of you

You make me feel so good

Do anything that you ask me to

Boy, you know I would just want to be in your arms

Holdin' me, kissin' me all night long

And I want you to know

That I'm your lady and you're my [Chorus] My sweet baby

See, I don't care what nobody says

As long as you're with me

Forever you lovin' me

Is the way that it's gonna be I just want to spend all my time

With you, baby, you're, oh, so fine

And I want you to know

That I'm your lady and you're my [Chorus] My sweet baby

(I just want to be, want to be, want to be held by you)

Yeah, yeah, yeah

(I just want to be, want to be, want to be loved by you)

Baby, yeah (I just want to be, want to be, want to be held by you)

Yeah, yeah, yeah

(I just want to be, want to be, want to be loved by you)

Baby, yeah [Chorus: x2] My sweet baby

He's mine

He's all mine

Oh, oh, oh,

Sweet baby

Sweet baby

Sweet baby My sweet baby

Baby, I want you to love me, baby

Sweet baby, sweet baby

Yeah, yeah, yeah, yeah
