

# Look Good In Blue

## Blondie

You look good in blue  
It matches your skin  
Your eyes  
Dripping with painSomeone like you  
Getting off on the lies  
'Cause it dulls  
Your surprise againIf it's alright with you  
I could give you some head  
And shoulders to lie onYou look good in blue  
I know what you mean  
When you say  
You've seen the endSomeone like you  
Been at it again  
You knew what was  
Up in the endIf it's alright with you  
I could give you some head  
And shoulders to lie onThrow your weight on me, baby  
Don't complain on me, baby  
Escape in me, next to meI'm tired, always tired  
And I got no place to sleep  
I don't mind dividing down the lineYou can't say  
That I'm complaining  
'Cause I got no place to play, yeah  
I don't mind dividing down the lineYou look good in blue  
It matches your skin  
Your eyes  
Dripping with painIf it's alright with you  
I could give you some head  
And shoulders to lie on  
Yes, I could give you some head  
And shoulders to lie on
